Deuteronomy Daniel I. Block, 2012-08-21. The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance.
