These Truths: A History of the United States Jill Lepore, 2018-09-18 Nothing short of a masterpiece NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one volume American history in decades award winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation Widely hailed for its sweeping sobering account of the American past New York Times Book Review Jill Lepore's one volume history of America places truth itself a devotion to facts proof and evidence at the center of the nation's history

The American experiment rests on three ideas these truths Jefferson called them political equality natural rights and the sovereignty of the people But has the nation and democracy itself delivered on that promise These Truths tells this uniquely American story beginning in 1492 asking whether the course of events over more than five centuries has proven the nation's truths or belied them To answer that question Lepore wrestles with the state of American politics the legacy of slavery the persistence of inequality and the nature of technological change A nation born in contradiction will fight forever over the meaning of its history Lepore writes but engaging in that struggle by studying the past is part of the work of citizenship With These Truths Lepore has produced a book that will shape our view of American history for decades to come *The Honest Life* Jessica Alba, 2013-03-12 The Golden Globe nominated actress and the co founder of The Honest Company counsels busy moms on how to make affordable and healthy choices for their families without sacrificing style sharing a variety of family friendly recipes eco friendly decorating tips and natural beauty care advice Original 150 000 first printing *The Mostly True Story of Jack* Kelly Barnhill, 2011-08-02 Newbery Medal winner Kelly Barnhill's debut novel is an eerie tale of magic friendship and sacrifice Enter a world where magic bubbles just below the surface When Jack is sent to Hazelwood Iowa to live with his strange aunt and uncle he expects a summer of boredom Little does he know that the people of Hazelwood have been waiting for him for quite a long time When he arrives he begins to make actual friends for the first time in his life but the town bully beats him up and the richest man in town begins to plot Jack's imminent and hopefully painful demise It's up to Jack to figure out why suddenly everyone cares so much about him Back home he was practically invisible *The Mostly True Story of Jack* is a stunning debut novel about things broken things put back together and finding a place to belong There's a dry wit and playfulness to Barnhill's writing that recalls Lemony Snicket and Blue Balliett a delightfully unusual gem Los Angeles Times *All Groan Up* Paul Angone, 2015-04-21 *All Groan Up* Searching for Self Faith and A Freaking Job is the story of the GenY Millennial generation told through the individual story of author Paul Angone It's a story of struggle hope failure and doubts in the twilight zone of growing up and being grown connecting with his twentysomething post college audience with raw honesty humor and hope *Heavy* Kiese Laymon, 2018-10-16 Selected as One of the Best Books of the 21st Century by The New York Times Named a Best Book of the Year by The New York Times Publishers Weekly NPR Broadly BuzzFeed Nonfiction The Undeclared Library Journal Biography Memoirs The Washington Post Nonfiction Southern Living Southern Entertainment Weekly and The New York Times Critics In this powerful provocative and universally lauded memoir winner of the Andrew Carnegie Medal and finalist for the Kirkus Prize genre bending essayist and novelist Kiese Laymon provocatively meditates on his trauma growing up as a black man and in turn crafts an essential polemic against American moral rot Entertainment Weekly In *Heavy* Laymon writes eloquently and honestly about growing up a hard headed black son to a complicated and brilliant black mother in Jackson Mississippi From his early experiences of sexual violence to his suspension from college to time in New York as a college professor Laymon charts his complex relationship with his mother

grandmother anorexia obesity sex writing and ultimately gambling Heavy is a gorgeous gutting generous The New York Times memoir that combines personal stories with piercing intellect to reflect both on the strife of American society and on Laymon s experiences with abuse By attempting to name secrets and lies he and his mother spent a lifetime avoiding he asks us to confront the terrifying possibility that few in this nation actually know how to responsibly love and even fewer want to live under the weight of actually becoming free A book for people who appreciated Roxane Gay s memoir Hunger Milwaukee Journal Sentinel Heavy is defiant yet vulnerable an insightful often comical exploration of weight identity art friendship and family through years of haunting implosions and long reverberations You won t be able to put this memoir down It is packed with reminders of how black dreams get skewed and deferred yet are also pregnant with the possibility that a kind of redemption may lie in intimate grappling with black realities The Atlantic *A Little Life* Hanya Yanagihara,2016-01-26 NEW YORK TIMES BESTSELLER A stunning portrait of the enduring grace of friendship NPR about the families we are born into and those that we make for ourselves A masterful depiction of love in the twenty first century NATIONAL BOOK AWARD FINALIST MAN BOOKER PRIZE FINALIST WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates broke adrift and buoyed only by their friendship and ambition as they move to New York in search of fame and fortune While their relationships which are tinged by addiction success and pride deepen over the decades the men are held together by their devotion to the brilliant enigmatic Jude a man scarred by an unspeakable childhood trauma A hymn to brotherly bonds and a masterful depiction of love in the twenty first century Hanya Yanagihara s stunning novel is about the families we are born into and those that we make for ourselves Look for Hanya Yanagihara s latest bestselling novel To Paradise **The Last Honest Place in America** Marc Cooper,2004 The author delves deeply into the latest incarnation of sin city charting the death of the old Vegas under the watchful eye of the detonators who blew up the old casinos and the re emergence of the new glass pyramid Disney like Vegas *Truly Madly Guilty* Liane Moriarty,2016-07-26 THE 1 NEW YORK TIMES BESTSELLER FROM THE AUTHOR OF BIG LITTLE LIES now an HBO series Winner of Goodreads Choice Award for Best Fiction Here s the best news you ve heard all year Not a single page disappoints The only difficulty with Truly Madly Guilty Putting it down Miami Herald Captivating suspenseful tantalizing People Magazine Six responsible adults Three cute kids One small dog It s just a normal weekend What could possibly go wrong In Truly Madly Guilty Liane Moriarty turns her unique razor sharp eye towards three seemingly happy families Sam and Clementine have a wonderful albeit busy life they have two little girls Sam has just started a new dream job and Clementine a cellist is busy preparing for the audition of a lifetime If there s anything they can count on it s each other Clementine and Erika are each other s oldest friends A single look between them can convey an entire conversation But theirs is a complicated relationship so when Erika mentions a last minute invitation to a barbecue with her neighbors Tiffany and Vid Clementine and Sam don t hesitate Having Tiffany and Vid s larger than life personalities there will be a welcome respite Two months later it won t stop raining and Clementine and

Sam can't stop asking themselves the question What if we hadn't gone In Truly Madly Guilty Liane Moriarty takes on the foundations of our lives marriage sex parenthood and friendship She shows how guilt can expose the fault lines in the most seemingly strong relationships how what we don't say can be more powerful than what we do and how sometimes it is the most innocent of moments that can do the greatest harm Entertainment Weekly's Best Beach Bet A USA Today Hot Books for Summer Selection A Miami Herald Summer Reads Pick **The (honest) Truth about Dishonesty** Dan Ariely, 2013 What makes us cheat How and why do we rationalise deception of ourselves and other people and make ourselves wishfully blind to the blindingly obvious If you've ever wondered how a whole company can turn a blind eye to evident misdemeanours within their ranks whether people are born dishonest and whether you can really be successful by being totally brutally honest then Dan Ariely has the answers **One Of Us Is Lying** Karen M. No One Is Talking About This Patricia Lockwood, 2021-02-16 FINALIST FOR THE 2021 BOOKER PRIZE A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE A book that reads like a prose poem at once sublime profane intimate philosophical witty and eventually deeply moving New York Times Book Review Editors Choice Wow I can t remember the last time I laughed so much reading a book What an inventive and startling writer I m so glad I read this I really think this book is remarkable David Sedaris From a formidably gifted writer The New York Times Book Review a book that asks Is there life after the internet As this urgent genre defying book opens a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans She is overwhelmed by navigating the new language and etiquette of what she terms the portal where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts When existential threats from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness begin to loom she posts her way deeper into the portal s void An avalanche of images details and references accumulate to form a landscape that is post sense post irony post everything Are we in hell the people of the portal ask themselves Are we all just going to keep doing this until we die Suddenly two texts from her mother pierce the fray Something has gone wrong and How soon can you get here As real life and its stakes collide with the increasingly absurd antics of the portal the woman confronts a world that seems to contain both an abundance of proof that there is goodness empathy and justice in the universe and a deluge of evidence to the contrary Fragmentary and omniscient incisive and sincere *No One Is Talking About This* is at once a love letter to the endless scroll and a profound modern meditation on love language and human connection from a singular voice in American literature
