Terror In The Family True Story:

The Poison Tree Alan Prendergast, 2016-11-22 Edgar Award Finalist The shocking account of a Wyoming father who terrorized his family for years until his children plotted a deadly solution One cold November night in Cheyenne Wyoming fifteen year old Richard Jahnke Jr ROTC leader and former Boy Scout waited for his parents to return from celebrating the twentieth anniversary of the night they met When his father got out of the car the boy blasted him through the heart with a twelve gauge pump action shotgun Richard s seventeen year old sister Deborah was sitting on the living room couch with a high powered rifle just in case her brother missed Hours later the Jahnke kids were behind bars Days later they made headlines So did the truth about the house of horrors on Cowpoke Road Was it cold blooded murder Or self defense Richard Jahnke Sr special agent for the IRS gun collector and avid reader of *Soldier of Fortune* had been subjecting his wife Maria and both children to harrowing abuse physical psychological and sexual for years Deborah and her brother conspired to finally put a stop to it themselves But their fate was in the hands of a prejudiced and inept judicial system and only public outcry could save them Written with the full and revealing cooperation of the Jahnkes this finalist for the Edgar Award for Best Fact Crime is the ultimate family nightmare played out in the heartland of America From the night of the murder through both trials convictions and both youngsters eventual release it s gripping reading *Chicago Tribune* *Poison Tree: A True Story of a Family Terror* Alan Prendergast, 1990-03-01 When 18 year old Richard Jahnke killed his father with several blasts from a 12 gauge shotgun it was the last act in a years long family tragedy Jahnke s murder trial brought to light a sordid story of an abusive father and a nightmare tale of a family living in terror behind the quiet facade of their suburban home **Terror by Night** Terry Caffey, 2011-10-12 At 3 00 a m on March 1 2008 Terry Caffey awoke to find his daughter s boyfriend standing in his bedroom with a gun An instant later the teen opened fire killing Terry s wife his two sons and wounding him 12 times before setting the house ablaze Terry fell into deep depression and planned to kill himself but God intervened Upon visiting his burned out property Terry noticed a scorched scrap of paper from one of his wife s books leaning against a tree trunk The page read God I couldn t understand why You would take my family and leave me behind to struggle along without them And I guess I still don t totally understand that part of it But I do believe that You re sovereign You re in control That page was like a direct message from God and it turned Terry s life around Now one year later Terry is remarried the adoptive father of two young sons and working to rebuild his relationship with his 17 year old daughter who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes *Terror by Night* tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime Sharing never before told details about the night of the crime and subsequent murder trial it explains how Terry was able to forgive the men who murdered his family and how he even interceded with the prosecutors on their

behalf A powerful example of how the power of forgiveness can bring healing after tragedy and great loss it shows how God can bring good out of even the darkest tragedies Four Months of Terror Rebecca Patrick-Howard,2014-06-19 In 1990 a single mother and her 10 year old daughter move into an old house in a quiet central Kentucky town Their excitement of living in a piece of history fades however as they slowly become convinced there s something malevolent in the walls of their rental property **Terror in the Arctic** Bjarnhild Tulloch,2011 Terror in the Arctic is the story of Bjarnhild who was 5 when the war started as she tried to make sense of the change to her family life As the war escalated conflicts in her family deepened Her oldest sister fell in love with a German officer and bore his children The tale mixes the bleak and horrific with humour and humanity tragedy with daring and heroism as well as funny and sometimes hilarious episodes It covers a part of World War II little known to British readers perhaps most notably the forcible evacuation of civilians from northern Norway by the retreating German Army Through it all children learned the basics of survival and continued to play outside while listening for air raid warnings They smuggled food parcels to the Russian prisoners and got little toys in return As Kirkenes was bombed to destruction Bjarnhild and her family fled to the countryside On her tenth birthday in the path of the oncoming Russian Army they escaped across a fjord in a rowing boat with a Russian plan in pursuit They sat out the final battle sheltering in a dig out in a nearby hillside until they were liberated by the Russian Army A tale that will strike resonance with a lot of people today and reveal the bleak conditions imposed on many people during the Second World War Terror in the Arctic will appeal to fans of autobiography and Second World War history Author Bjarnhild who has been living in Shetland since 1966 is inspired by a number of authors including Agatha Christie and James Patterson Terror in the Arctic has been compared favourably to Helga the autobiography of Helga Gerhardi who was 15 years old when the war started The Haunted Ed Warren,Lorraine Warren,Robert Curran,Jack Smurl,Janet Smurl,2014-10-04 The world s most famous demonologists Ed Lorraine Warren were called in to help an average American family who were assaulted by forces too awesome too powerful too dark to be stopped It s a true story supported by dozens of eyewitnesses neighbors priests police journalists and researchers The grim slaughterhouse of odors The deafening pounding The hooved half man charging down the hall The physical attacks a vicious strangling failed exorcisms the succubus and the final terror which continued to torment the Smurls In this shocking terrifying deeply absorbing book rivaled only by The Amityville Horror a case also investigated by the Warrens journalist Robert Curran digs deep into the haunting of the Smurl home in West Pittston Pennsylvania and the unshakeable family bonds that helped them survive Don t miss the Warrens blockbuster films The Conjuring and Annabelle in theaters October 2014 **The Amityville Horror** Jay Anson,2019-12-03 A fascinating and frightening book Los Angeles Times the bestselling true story about a house possessed by evil spirits haunted by psychic phenomena almost too terrible to describe In December 1975 the Lutz family moved into their new home on suburban Long Island George and Kathleen Lutz knew that one year earlier Ronald DeFeo had murdered his parents brothers and sisters in

the house but the property complete with boathouse and swimming pool and the price had been too good to pass up Twenty eight days later the entire Lutz family fled in terror This is the spellbinding shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining this book will scare the hell out of you Kansas City Star

The Poison Tree Alan Prendergast, Alan M. Dershowitz, 1986 St. Joseph's Children Terry Ganey, 1989 The true story of Charles Hatcher who killed at least 16 people and how he was finally caught in St Joseph Missouri *A Stranger in the Family* Steven Naifeh, Gregory White Smith, 1996-05 The true story of Danny Starrett a serial killer and rapist raised by a seemingly perfect family Includes passages from his prison journal describing his crimes and their causes **In the Garden of Beasts** Erik Larson, 2012-05-01 Erik Larson New York Times bestselling author of Devil in the White City delivers a remarkable story set during Hitler s rise to power The time is 1933 the place Berlin when William E Dodd becomes America s first ambassador to Hitler s Nazi Germany in a year that proved to be a turning point in history A mild mannered professor from Chicago Dodd brings along his wife son and flamboyant daughter Martha At first Martha is entranced by the parties and pomp and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence Enamored of the New Germany she has one affair after another including with the suprisingly honorable first chief of the Gestapo Rudolf Diels But as evidence of Jewish persecution mounts confirmed by chilling first person testimony her father telegraphs his concerns to a largely indifferent State Department back home Dodd watches with alarm as Jews are attacked the press is censored and drafts of frightening new laws begin to circulate As that first year unfolds and the shadows deepen the Dodds experience days full of excitement intrigue romance and ultimately horror when a climactic spasm of violence and murder reveals Hitler s true character and ruthless ambition Suffused with the tense atmosphere of the period and with unforgettable portraits of the bizarre G ring and the expectedly charming yet wholly sinister Goebbels *In the Garden of Beasts* lends a stunning eyewitness perspective on events as they unfold in real time revealing an era of surprising nuance and complexity The result is a dazzling addictively readable work that speaks volumes about why the world did not recognize the grave threat posed by Hitler until Berlin and Europe were awash in blood and terror *Death Ride* , Tim, 2020-11-07 *Death Ride* is a riveting account of the brutal murders of Mike and Frieda Kuntz and the attempted murder of their five year old son Larry who witnessed the tragic deaths of his parents This is an amazing true story of survival and the ability to overcome unspeakable cruelty In 1937 the young Kuntz family had made Wheat Basin Montana their new home A neighbor Frank Robideau had come on especially hard times and decided to take action to remedy his situation Frank forced Mike K A Family Secret: My Shocking True Story of Surviving a Childhood in Hell Maureen Wood, 2021-03-18 Each time my mother laid a finger on me it was another step into the jaws of hell Her abuse more so than any other destroyed me It was the ultimate betrayal **The Terror** Dan Simmons, 2007-03-08 The masterfully chilling novel that inspired the hit AMC series *Entertainment Weekly* The men on board the HMS Terror part of the 1845

Franklin Expedition the first steam powered vessels ever to search for the legendary Northwest Passage are entering a second summer in the Arctic Circle without a thaw stranded in a nightmarish landscape of encroaching ice and darkness Endlessly cold they struggle to survive with poisonous rations a dwindling coal supply and ships buckling in the grip of crushing ice But their real enemy is even more terrifying There is something out there in the frigid darkness an unseen predator stalking their ship a monstrous terror clawing to get in The best and most unusual historical novel I have read in years Katherine A Powers Boston Globe **If You Love Me: True love. True terror. True story.** Alice Keale,2017-01-12 You said I was the perfect boyfriend If you can prove you really love me perhaps I can be that way again *Sudden Terror* Larry Crompton,2010 This book is based on the actual case of the East Area Rapist later also known as the Original Night Stalker a masked man who terrorized California communities for ten years 1976 through 1986 and possibly to this day Because I was not involved in the initial rape investigations they are written from hundreds of reports notes memos newspaper clippings conversations and interviews with those who were involved The crimes are factual The crimes are real While all characters and events have direct counterparts in the telling of the story I have created some dialogue in the interest of readability The cops in the initial rapes are not factual their actions are Their names and descriptions are completely fictitious The names of the victims witnesses and suspects are fictitious the terror the dialogue during the crimes and the investigations are real The cops involved in the cases after I was involved are real their names and dialogue is factual the investigations are real The pain and terror may have diminished in the minds of the victims I hope that the pain does not return My intent is to tell the story without endangering the privacy or the dignity of the victims They have suffered enough

A Memoir: What's Behind All the Lies Bonnie Pellerin,2020-09-27 What s behind all the lies Generations of child sexual abuse covered up by the elders Discover how these elders led a blind nation of children some of whom followed them willingly into adulthood and few of those who stood up against their raging terror Escaping mind manipulation and trauma I managed to escape my family cult Now set on helping stop the cycle of child abuse I reach to an audience in hopes of making a change *Mike's Place* Jack Baxter,Joshua Faudem,2015-06-09 There s a rule at Mike s Place never ever talk politics or religion At this blues bar on the Tel Aviv beachfront an international cast of characters mingles with the locals and everyone is welcome to grab a beer and forget the conflict outside At least that s the story Jack and Joshua want to tell in their documentary But less than a month after they begin filming Mike s Place is the target of a deadly suicide bombing Jack Joshua and the Mike s Place family survive the only way they know how by keeping the camera rolling Written by filmmakers Jack Baxter and Joshua Faudem and illustrated by award winning cartoonist Koren Shadmi Mike s Place chronicles the true story of an infamous terrorist attack in painstaking detail Rarely has the slow build to tragedy and the rebirth that follows been captured with such a compassionate and unflinching eye **Night of Terror: Based on a True Story Novella One, Two, and Three** D.
