

# Notable Sorceresses of the Lodge

## Yennifer of Vengerberg

The witchcraft and the storm-haunted sorceress a good twenty years back. Their friendship and the feelings between them were born of a common adventure involving a great and a right granted to Geralt that intertwined their fates inextricably. In the time since their relationship had, however, been quite stormy—rich in ups and downs, crises and breakups. Geralt and Yennifer's love provides veritable proof of the thesis that "opposites attract."

A few years ago Geralt and Yennifer had, after a long separation full of adventures for them both, gotten back together again. Their moment of repose was interrupted by the Wild Hunt, which took Yennifer captive. The witcher set out in vain to save her but lost his memory while doing so. When he finally recovered it, he immediately set off once more on his quest to find his beloved sorceress.

Yennifer made her home close to the nearby Three Flats Inn, below the towering granite mountains of Kaer Tiddie-Kaep.

### Letter to Yennifer

Yennifer, my dear friend,

Thank you for your letter. I regret me for not answering your earlier attempt to reach me via magicka. I am trying to lend my magic communication to the absolute minimum. One never knows what's listening, don't you agree?

I am delighted you have found a position at our precious emperor's court and wish you the best of luck in the search for his daughter. It is good to know that Enhyr's intentions for her have become more, how shall I put it, mundane. Perhaps in these circumstances an agreement regarding the Lodge will prove possible after all?

In response to your first question, I can state beyond all doubt that Ciri has not appeared anywhere south of the Harroga. Believe me, I could recognize her magic signature at my sleep.

I have not had any contact with Thali for a long time. I only hear that things in Thengrad have taken an ill turn. She mentioned something earlier about fleeing to Kaer, but I am afraid that in the current political climate that amounts to an impossible dream.

I hope I will soon be able to join you in Vizima. First, however, I must take care of some unfortunately left urgent matters in Bruma-far.

With my kindest regards,

Froggla Mip

P.S. Thank you for the news about Geralt. He always seems to land on his feet. Doesn't he?

How the storm on the mountains of Kaer Tiddie-Kaep.
